www.CentralCoastStreetrods.org

Hello Prospective Member,

Welcome to Central Coast Streetrods Car Club

Central Coast Streetrods, Inc. was founded by individuals interested in the support of charitable organizations involved in the fight against children's diseases, as well as the support of education involving the preserving of all types of antique, classic, and custom cars and trucks. We are Incorporated as a California non-profit Public Benefit Corporation.

Our Annual Car Show is held on the 1st Sunday in November, at Nojoqui Falls in Solvang for the exclusive purpose of accepting generous donations for charitable organizations and educational programs in accordance with section 501(c)(3) of the Federal Code requirements. In 2012 the donations we collect will go to the Make-A-Wish Foundation.

Almost all of our members own special interest cars, but ownership is not an absolute requirement. All you really need is the love of special interest cars, the desire to learn how to preserve and care for them, and hopefully the desire to own.

To become a member, all it takes is to be at least 18 years old, have a current member in good standing sponsor you, complete and turn in a membership application, agree to abide by our By-Laws and Constitution, and attend at least one club function within a three-month period. After you have completed those requirements, the club members at the next meeting will vote regarding your membership. If accepted for membership, you will be expected to take an active interest in the club and participate in club activities and our annual car show.

Dues are \$5.00 per year for a family membership. To maintain active voting member status, each member shall be responsible to pay their annual dues to the Treasurer around the time of the Annual Meeting. After your dues are paid, you will receive a copy of the Constitution and By-Laws. Club T-Shirts and Jackets and Logos can be purchased at club meetings and at the Annual Car Show.

Our meetings are to usually held on a Monday of each month, but this can change depending if it is a day that is convenient for the majority of the members. Our Annual Meeting is held in April or May (the first meeting of the year), and again on a day that is convenient for the majority of the members. Meeting days, times, and locations will be sent to all members by e-mail and/or by phone. Meetings are normally held at Schuyler Collision Auto Repair, 1025 W. Laurel Avenue in the City of Lompoc, California.

Once accepted as a member, we expect members to attend meetings, participate and be actively involved in our fund raising activities.

Thank you for your interest in our club. Should you have any further questions, please email: secretary@centralcoaststreetrods.org
